

UMP CANISTER 4.0" X 13.0"

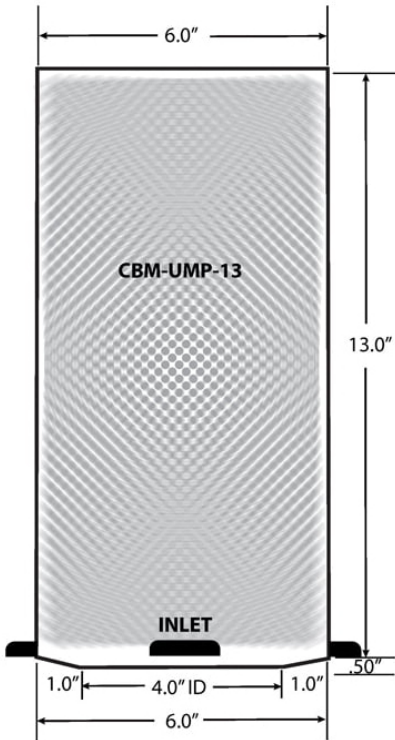

7 Layer Heavy Duty Air Filter

Red Cotton Guaze
13.0" Length, 4.0 Inlet
Designed for extreme Conditions.
Washable.

Are you tired of watching fine dust and silt go right through your K&N's? So were we until we had our own filters made! These filters have 3 ADDITIONAL layers over a typical K&N to improve filtering fine dust. All filters are completely washable.

#CBM-UMP-13
