Buckshot Racing X6

Super clean Buckshot Racing X6 Sandcar, 4 seater, comfortable, light and SUPER fast! Tons of power and suspension to shred the dunes and crush any competition. This build features a CBM Motorsports Twin Turbocharged 454 RHS LS engine with a Fortin R11 transmission .

Interior features include a MoTeC 2112 Digital Dash Display, Twisted Stitch seats. Simpson 5-way harness's, PCI Race radio and a Fire suppression system to name a few King Coil over shocks are on all for comers with 35" paddle tires in the rear. Killer paint and graphics make this Buckshot Racing X6 one of the baddest, fastest, wheels up sand cars on the planet. See a complete list of features below.
