Sand Limo by Joe Fab Baja Sand Truck

This Sand Limo by Joe Fab Baja Sand Truck features a CBM Motorsports Twin Turbocharged 454 RHS LS V8 engine, CBM Pro-X 6 bolt cylinder heads, Jesel valve train and a Albins sequential transmission. The truck is missing the left and right rear fenders, and does not come with paddle tires and rear rims. There is some very, very light surface rust in a couple of spots on the chassis. This truck is solid, fast and has been tuned by CBM Motorsports.
